Read Book Asian Christian Theologies A Research

Asian Christian Theology provides a survey of contextually reflective, robustly evangelical theology for students to engage with the core doctrines of Christianity and their outworking in different cultures across Asia. The contributors of the chapters come from all corners of Asia to systematically examine traditional doctrinal themes and contemporary concerns for the Asian church.

...

An avowed dedication to developing unique, non-Western theological concepts, and a marked emphasis on liberation, are the two dominant factors in Asian theology -- currently in a stage of self-definition. As in African theology, Latin American liberation theology and theologies of the oppressed in North America, the search for an Asian theology has its origin in the recognition that Euro-American theology is totally
