Business Communication: Process and Product, 6th Brief Canadian Edition, prepares students for a career in an increasingly digital and global workplace.

Business Communication: Process and Product, Brief Edition ... Communication Process. The communication is a dynamic process that begins with the conceptualizing of ideas by the sender who then transmits the message through a channel to the receiver, who in turn gives the feedback in the form of some message or signal within the given time frame. Thus, there are Seven major elements of communication process:

Communication Process -
