Coconut Oil

Benefits of
Coconut Oil

It's thought that coconut oil behaves differently when compared with other foods high in saturated fat (eg butter) and so is better for your health.

This is because some types of

Beauty

Acces PDF

Coconut Oil

fatty acids have a simpler way of digesting, absorbing and metabolising (burning as a fuel source) in your body. This is due to differences in their structure. Because of this, it's been suggested that
