Comic books are worth something, especially to the owners that have collected and read those comics. Now, from a monetary standpoint, your comic book may not be worth much of anything. This is an important thing to think about when you are selling your comic book collection. But My Comic Book Is Old! I see this trend a lot.

How to Get the Most For Your Comic Book Collection

The Creeper (Jack Ryder) is a superhero created by Steve Ditko and Don Segall for DC Comics. He is portrayed as a journalist and talk show host, usually living in Gotham City, who gains the ability to transform into the superhuman Creeper (and vice versa) thanks to experimental science developed by Dr. Yatz. First appearing in Showcase #73 (March 1968), his origin was revised in Secret Origins ...

A New York Times Best Seller! The world of Minecraft comes to life in this thrilling adventure for boys and girls! Gameknight999 loved Minecraft, but above all else, he loved to grief—to intentionally ruin the gaming experience for other users. When one of his father's inventions teleports him into the game, Gameknight is forced to live out a real-life adventure inside a digital world. What will happen if he's killed? Will he respawn? Die in real life? Stuck in the game, Gameknight discovers Minecraft's best-kept secret, something not even the game's programmers realize: the creatures within the game are alive! He will have to stay one step ahead of the sharp claws of zombies and pointed fangs of spiders, but he'll also have to learn to make friends and work as a team if he has any chance of surviving the Minecraft war his arrival has started. This action-packed tribute to the worldwide computer game phenomenon is a runaway publishing smash and the perfect companion for Minecraft fans of all ages.
