We recently bought
Demigods and
Monsters. It had the
author's spin on
Greek Gods and

File Type PDF Demigods And

Monsters as well as other authors' opinions. I liked the essay on grading the parents and parent-gods. It also had a helpful glossary of gods, heroes, myths, and monsters. It is a must-read for followers of the Percy Jackson series.

Demigods have a distinct scent due to a spell cast by Lamia, a monstrous daughter of Hecate, which allows monsters to find them. It is also extremely dangerous for a demigod to use
