First to Fight by Lieutenant General Victor H. Krulak, was written in the post-Vietnam Unite States Marine Corps and at the height of the Cold War. Since 1984, the year the book was first published, the characteristics of war, the enemy, and the United States Marine Corps have changed a number of times.

First To Fight And Inside View Of The Us Marine Corps Free ...
644 Words3 Pages. Book Review: First To Fight by Victor H. Krulak The United States Marine Corps is a frequently misunderstood, occasionally maligned but more frequently mythologized division of the U.S. Armed Forces. Sometimes its role is perceived as overlapping the roles and responsibilities of its military counterparts such as the U.S. Army, the U.S. Navy and the U.S. Air Force.

First to Fight | 9781557504647, 9781612511610 | VitalSource
"First to Fight" is probably not what you would expect and yet it is a very good book. It is sort of three books in one. The first story is about the post-WWII defense reorganization and attempts by some to eliminate the Marine Corps or fold it into one of the other service branches.

First to Fight: An Inside View of the U.S. Marine Corps ...
In addition, he describes the Corps's relationship to other services, especially during the unification battles following World War II, and offers new insights into the decision-making process in times of crisis. First published in hardcover in 1984, this book has remained popular ever since with Marines of every rank.

First To Fight | U.S. Naval Institute
For example, the recruiting poster entitled "First to Fight" promised the opportunity not just to see combat, but also to be the first to do so. I Implicit in this guarantee was the notion that sailors would not share this opportunity, even though Marines and sailors had fought side-by-side ashore for more than a century.
