But if Jackie had lived to see her son, JFK Jr., perish in a plane crash on his way to his cousin's wedding, she would have been doubly horrified by the familiar pattern in the tragedy. Once again, on a day that should have been full of joy and celebration, America's first family was struck by the Kennedy Curse. In this probing expose, renowned Kennedy biographer Edward Klein--a bestselling author and journalist personally acquainted with many members of the Kennedy family--unravels one of the great mysteries of our time and explains why the Kennedys have been subjected to such a mind-boggling chain of calamities.
