Pocket Prescriber Psychiatry is a concise, up-to-date prescribing guide containing all the " must-have " information that psychiatrists and mental health professionals need to know.

Pocket Prescriber Psychiatry - Medicine4u

Fortunately, Pocket Tutor Psychiatry has avoided this pitfall. It remains very well-organised and succinct, enabling readers to look up topics rapidly (the key features of the first edition). The updated content largely reflects developments in international classificatory systems and mental health legislation, with more minor changes across the other sections. It remains thankfully concise but ...
