The transmission can be started from both sides, controller and PC, thus offering the maximum ...

~~Manuale LoomNet US - Roncalli~~

Most people look at the extension of a file and then guess the type of file from that extension. For example, when you see a file with an extension of gif, jpg, bmp, or png you think of an image file, and when you see a file with an extension of zip, you assume the file has been compressed using a zip compression utility.
