Book 1 of Heirs of Acadia, continuing the story told in the bestselling Janette Oke and T. Davis Bunn Song of Acadia series. Erica Langston's comfortable home and loving family living near Washington, D.C., carry no outward hint of the sorrows and fears faced by her Acadian forebears, but she will soon discover that similar determination and fortitude will be required of her. When the British once again invade the nation's capital and leave death and destruction in their wake, Erica is left to deal with the creditors circling around the crumbling family business. It seems her only recourse is to travel to England to collect on outstanding debts held in British banks. Arriving in London at the home of the United States ambassador, Erica is gradually immersed in a secret mission that brings her face-to-face with her most feared and reviled enemy. She discovers that Gereth Powers is part of a group of Christian activists headed up by William Wilberforce himself. Along the way, Erica comes to realize her faith has been more cultural than real, and her spiritual journey becomes far more significant than her journey over the ocean.

Beautiful Creatures meets *The Body Finder* in *Compulsion*, the first novel in a spellbinding new trilogy. All her life, Barrie Watson has been a virtual prisoner in the house where she lived with her shut-in mother. When her mother dies, Barrie promises to put some mileage on her stiletto heels. But she finds a new kind of prison at her aunt's South Carolina plantation instead—a prison guarded by an ancient spirit who long ago cursed one of the three founding families of Watson Island and gave the others magical gifts that became compulsions. Stuck with the ghosts of a generations-old feud and hunted by forces she cannot see, Barrie must find a way to break free of the family legacy. With the help of sun-kissed Eight Beaufort, who knows what Barrie wants before she knows herself, the last Watson heir starts to unravel her family's twisted secrets. What she finds is dangerous: a love she never expected, a river that turns to fire at midnight, a gorgeous cousin who isn't what she seems, and very real enemies who want both Eight and Barrie dead.
