The 3600/4000 container, Item Number 015508, is not compatible with your machine if it has a six sided drive shaft. The six sided drive shaft will not engage the twelve teeth in the nut on the bottom of the blade assembly. Use the 3600/4000 container only on a motor base that has been converted to the twelve spline drive shaft.

If you want a great blender, go for a Vitamix. Vitamix 3600 vs 5200. These two models have been released by Vitamix a long time ago but they are still in high demand today because of their proven performance. For instance, the 3600 is a model that was originally launched by the company way back in 1969. It is effectively older than most shoppers today yet its reputation is such that many seek ...

To do what no other magazine does: Deliver simple, delicious food, plus expert health and lifestyle information, that's exclusively vegetarian but wrapped in a fresh, stylish

mainstream package that's inviting to all. Because while vegetarians are a great, vital, passionate niche, their healthy way of eating and the earth-friendly values it inspires appeals to an increasingly large group of Americans. VT's goal: To embrace both.

THE HERBAL MEDICINE-MAKER'S HANDBOOK is an entertaining compilation of natural home remedies written by one of the great herbalists, James Green, author of the best-selling THE MALE HERBAL. Writing in a delightfully personal and down-home style, Green emphasizes the point that herbal medicine-making is fundamental to every culture on the planet and is accessible to everyone. So, first head into the garden and learn to harvest your own herbs, and then head into your kitchen and whip up a batch of raspberry cough syrup, or perhaps a soothing elixir to erase the daily stresses of modern life.

Discover simple ways to incorporate more whole foods into your daily diet using a blender with this gorgeous cookbook featuring 200 delicious recipes and more than fifty full-color photos—the first widely available cookbook from the Vitamix brand. Recently known primarily to professional chefs, over the past decade the Vitamix blender has become one of the most sought after kitchen appliances in home kitchens. Now, Vitamix has created a gorgeous companion cookbook to help you enjoy the benefits of a whole foods diet. Here are more than 200 simple, scrumptious, easy-to-prepare recipes that use a blender—most taking less than thirty minutes. The chefs at Vitamix believe that the only way to make lasting, healthy changes to your diet is to enjoy the food you eat. With The Vitamix Cookbook they've created mouthwatering food you'll want everyday: breakfast and brunch, including smoothies, breakfast mains (muffins, breads and scones), pancakes, waffles, egg dishes soups and sides (amazingly, the Vitamix heats the soup while blending it, making it table ready in less than ten minutes!) entrees, including wraps and sandwiches, burgers, pizza, pasta, poultry, meat and seafood sauces and dressings drinks, including nut milks, juices, and even cocktails desserts, including sorbets, ice creams, milkshakes and baked desserts Throughout The Vitamix Cookbook, you'll find helpful sidebars with inspiring stories of people who have improved their health using their Vitamix, as well as tips for a nutritious whole foods diet.

"A moving story of abandonment, love, and survival against the odds."—Dr. Jane Goodall The heartbreaking and ultimately hopeful story of an abandoned polar bear cub named Nora and the humans working tirelessly to save her and her species, whose uncertain future in the accelerating climate crisis is closely tied to our own Six days after giving birth, a polar bear named Aurora got up and walked away from her den at the Columbus Zoo, leaving her tiny squealing cub to fend for herself. Hours later, Aurora still hadn't returned. The cub was furless and blind, and with her temperature dropping dangerously, the zookeepers entrusted with her care felt they had no choice: They would have to raise one of the most dangerous predators in the world by hand. Over the next few weeks, a group of veterinarians and zookeepers worked around the clock to save the cub, whom they called Nora. Humans rarely get as close to a polar bear as Nora's keepers got to their fuzzy charge. But the two species have long been intertwined. Three decades before Nora's birth, her father, Nanuq, was orphaned when an Inupiat hunter killed his mother, leaving Nanuq to be sent to a zoo. That hunter, Gene Agnaboogok, now faces some of the same threats as the wild bears near his Alaskan village of Wales, on the westernmost tip of the North American continent. As sea ice diminishes and temperatures creep up year after year, Agnaboogok and the polar bears—and everyone and everything else living in the far north—are being forced to adapt. Not all of them will succeed. Sweeping and tender, *The Loneliest Polar Bear* explores the fraught relationship humans have with the natural world, the exploitative and sinister causes of the environmental mess we find ourselves in, and how the fate of polar bears is not theirs alone.

Tucked into the southwestern corner of Cuyahoga County, Olmsted Falls and Olmsted Township are steeped in rich Ohio history. Dating back to the late eighteenth century, the two communities grew to become a place of idyllic beauty and fascinating stories. Uncover the myth of the infamous letter "a" in the Olmsted name, and learn how Olmsted became a leader in public education in Cuyahoga County. Weather battles over saloons and attempts to annex all or part of Olmsted Township to neighboring communities, and survive Rocky River floods that destroyed bridges, dams, mills and factories. Join Bruce Banks and Jim Wallace as they provide a captivating account of these two historical communities.

Do you want to lose weight? Have mood swings? Experience any puffiness or joint pain? Do you feel lethargic or fatigued? Is your gut acting up? Have you tried fad diets, gone to doctors, popped pills without seeing results? It's not your fault! It's because the vast majority of these conditions are being treated inappropriately or misdiagnosed by the standard health care model. Through exhaustive research and clinical experience, Dr. Mindy has discovered what is really behind these common conditions and how to eliminate them once and for all through the Reset Factor - Dr. Mindy's scientifically based whole body system to restore you to perfect health, from the inside out.

For more than forty years, Ann Wigmore, founder of the renowned Hippocrates Health Institute and internationally acclaimed holistic health educator, taught that what we eat profoundly affects our health. She was among the first to note that our modern diet of "convenience food" was the prime cause of illness and obesity, and she offered a positive alternative. Developed over a twenty-year period at the Hippocrates Health Institute, one of the nation's first and finest holistic health centers, the Hippocrates Diet allows the body to correct its problems naturally and at its own pace. Through a diet of fresh fruits, vegetables, grains, nuts, and super nutritious foods such as sprouts and wheatgrass juice, all of

which are prepared without cooking, the body is able to restore its internal balance—and its capacity to maintain a healthy weight, fight disease, and heal itself. The Hippocrates Diet and Health Program is an indispensable guide to healthy living, filled with easy-to-follow recipes and money-saving health tips. It is never easy for anyone to break bad eating habits, but when you are ready to make the decision to lose weight, regain youthful energy, or prevent illness, The Hippocrates Diet and Health Program can be your guide.
