Wicked Temptation is the 6th book in USA Today Bestselling Author, Carole Mortimer's, all Amazon #1 Regency Sinners series. Author's Note: All the books in the very hot Regency Sinners series are complete and HEA stories. Books in the series are connected by the friendship of the heroes. And did I mention they're HOT? Pru would never forgive Lord Titus Covington, Viscount Romney, for the lies and deceit which had resulted in the death of the person she loved most in the world. She might not forgive him, but she would use him, in whatever way she saw fit, in order to seek out a murderer. Quite what she would do once she had that murderer in her clutches she had no idea, but she would hunt them down. Titus knew he had behaved unforgivably as far as Lady Prudence Germaine was concerned. Deceived her. Lied to her. By omission, if in no other way. But when Pru makes it clear she intends to find her beloved's murderer he has no choice but to assist her. Indeed, he finds he doesn't want to have a choice. Because what had started out as a deception to him has become a reality. As far as Titus is concerned, at least. He is now tempted by and desires Pru with a hunger that only her complete physical and emotional surrender will satisfy.

SCANDAL (Regency Lovers 6) is the last book in Amazon #1 & USA Today Bestselling Author, Carole Mortimer's, historical romance series, Regency Lovers. Author's note: This is a steaming HOT Regency romance. Rachel has never met anyone quite like Grayson Long. From the moment of their introduction Rachel finds Mr. Long to be brusque to the point of rudeness, arrogant as any duke, but so handsome he takes her breath away. Closer acquaintance does not improve upon that initial impression, but nor does her heart cease beating faster whenever Mr. Long is anywhere near. Grayson is accustomed now to always standing in the background, to never quite belonging, but it wasn't always this way. Once he had an estate of his own, a family and a title, but all that was taken from him. He certainly has nothing to offer any woman let alone one as lovely and innocent as Miss Rachel Banford, resulting in him deciding to keep his distance from her whenever possible. But Grayson cannot continue to maintain that distance when Rachel becomes the target of a vindictive woman's vengeance.

Wicked Christmas is the 8th and last book in USA Today Bestselling Author, Carole Mortimer's, all Amazon #1 Regency Sinners series. It is also her 240th published book. Author's Note: The 8th book in the series promises to be just as steaming hot as the previous ones—after all, there will be SEVEN red-hot heroes, all intent on enjoying the Christmas Season of 1816 with their equally passionate wives. The Sinners have all gathered in Kent at the estate of the Duke and Duchess of Stonewell, and the house is full of adults and children enjoying a time of joy and happiness, but most of all peace, following all they suffered through together the previous year. But peace has never been something the Sinners have been able to enjoy for very long, and in amongst falling in love, marrying, and having their children, they had forgotten to account for the one person they had believed to be insignificant but who was in fact as much responsible for Napoleon's escape from Elba the previous year, and the battles and deaths that followed, as the person who was hanged for the crime. Will the Sinners discover their mistake in time or will another one of them suffer the devastation of losing someone they love?

Wicked Captive is the 5th book in USA Today Bestseller and Amazon #1 Author, Carole Mortimer's, Regency Sinners series. Author's Note: All the books in the very hot Regency Sinners series are complete and HEA stories. Books in the series are connected by the friendship of the heroes. Lord Jericho Black, the Marquis of Wessex, is not looking forward to the visit of his ward, Lady Jocelyn Forbes, to his Devonshire home. Jocey is not actually Jericho's ward but his father's. But as his father lives permanently in Scotland, and is considered to be eccentric by polite members of Society and more than a little strange by the majority, Jericho has taken it upon himself to act as Jocey's guardian in his father's stead these past three years. A bachelor of five and thirty, Jericho finds the role of guardian to a young lady difficult enough at the best of times, but finding himself charged with the unpleasant duty of proving or disproving whether Jocey is guilty of treason, is going to make this visit even more taxing than usual. Jocey is looking forward to seeing and being with Lord Jericho Black again, the man she has secretly been in love with since he became her guardian when she reached the age of eighteen. She is no longer that gauche and awkward young girl, and she is determined Jericho will now see her as a desirable woman, and worthy of his attention. From the moment Jocey arrives in Devon, even more beautiful than Jericho remembers her to be, and possessed of the sophistication and confidence of a woman who knows her own mind, Jericho quickly realizes it is not irritation he now feels toward Jocey but desire. A desire he is finding it more and more difficult to resist. When Jericho receives the shocking news of one close friend's unexpected death, and the serious injury of another, it becomes imperative he learn the truth as quickly as possible, so as to avoid more blood being shed. Even if it requires Jericho make Jocey his prisoner and seduce the truth from her.

SINFUL (Regency Scandal 4) is the fourth story in Carole Mortimer's #1 #Bestselling series. Carole is a USA Today Bestselling Author, Amazon #1 Bestselling Author, and an International Bestselling author. She has written over 270 romance novels in the Contemporary, Historical and Paranormal genres. Having suffered through yet another Season without, at the age of one and twenty, becoming betrothed or engaged to any of the vacuous young fops of Society, Lady Olivia Buchan is sent to stay with her mother's cousin and her husband on their island home for the summer months. After which, Olivia is to go and live quietly at the family's country estate in the wilds of Yorkshire, well away from London Society, and any possibility of her unmarried status ruining her two younger sisters' future chances of a betrothal and marriage. Olivia away is that three of His Majesty's ships and their crews are currently visiting the island, at the behest of the Prince Regent, as his representatives during the island's summer celebrations. Those ships are under the command of the tall and imposing Admiral Lord Magnus Forsythe, the Earl of Rockborne. A gentleman known to be a hero during the long years of sea battles against the French. One look at this haughtily magnificent and the unmarried Rockborne and Olivia knows exactly why none of London's pretentious young men have ever appealed to her. They could never compete with such mature and masculine perfection. Unfortunately, Rockborne takes that same look at Olivia and thereafter attempts to avoid her company. But Olivia, having seen the only man she could ever consider taking as her husband, will not be deterred so easily. Not even when a scandal from Magnus's past, involving her own family, is revealed.

Gabriel's Torment (Regency Club Venus 2) is the 2nd book in Amazon #1 & USA Today Bestselling Author, Carole Mortimer's, hot new Regency romance series, Regency Club Venus. For the past five years Gabriel Templeton, the Duke of Blackborne, has been the owner of Club Venus, the high class brothel in London. When not running the club Gabriel continues to search for his sister who was cast off by their father almost twenty years ago, pregnant and alone, and has never seen again since. Young Vic Tyrone was born on the dirty streets of London and will no doubt die there too, sooner rather than later. Seeing and speaking to the handsome Duke of Blackborne, as he strolls by on the way to his club every evening, is the single brightness in days and nights that are all too often dark with the despair of poverty. Gabriel very much enjoys his daily exchanges with Vic, the cheeky imp who sells fruit or flowers on the street corner near Club Venus. But when Vic isn't in his usual spot for two days in a row Gabriel becomes concerned and goes in search of him in the Rookery, the most dangerous slum in all of London. When he finds the boy Vic is sitting silent and numb, the body of his dead mother having been consigned to a pauper's grave that morning. Deciding to take the devastated Vic home with him, and sending for his friend and doctor, Lord Benedict Winter, to attend the lad, reveals a secret that totally stuns Gabriel. Vic isn't a boy at all but a young woman! Undecided as to what to do next, it isn't the time for a woman from Gabriel's past to seek vengeance on the people he cares for.

Wicked Torment is the 1st book in USA Today bestselling author, Carole Mortimer's, NEW Regency Sinners series. Author's Note: The stories in the Regency Sinners, Regency Unlaced, Knight Security, and Alpha Series, have stronger sexual content and language than my other books. Eight gentlemen known in Society as The Sinners. Having all returned safely from Waterloo, these gentlemen now find themselves with the more dangerous task of discovering which of the ladies in Society has been acting as a spy for the enemy. Dangerous to their hearts, that is. Darius Strong, the Duke of Wolferton, known to his close friends as Wolf, cares little for what Society or anyone else thinks of him, and lives his life accordingly. Given the task of discovering whether Lady Beatrix Hanwell has been using her position in Society to garner information for the enemy puts him in something of a quandary, however. The two of them have met several times in the past, occasions when that lady had not hesitated to show her disapproval of him. Mainly by ignoring his existence. Which is going to make it difficult for Darius to get close enough to her to seduce her into revealing whether or not she is the guilty lady. Beatrix is puzzled—and more than a little disturbed—when Darius Strong, the exceedingly handsome and scandalous Duke of Wolferton, begins to show her marked attention. As a widow aged seven and twenty, and possessing no great beauty, his interest is mystifying to say the least. Much as she tries to fight her growing attraction to Wolf she is failing miserably, as each meeting between the two of them draws her ever nearer to forgetting all propriety and simply giving in to his seduction. Except her surrender means revealing the secret she has taken such pains to hide. To Darius's surprise he finds himself becoming intrigued by Beatrix. Not only intrigued but he desires her more deeply than any other woman he has ever met. So much so that he finds himself hoping she is not the lady they are seeking. Is Beatrix guilty of treason, and if not what will her reaction be to Wolf when she discovers the truth behind his single-minded pursuit of her?

Andrew Belgrade, the Duke of Essex, has attempted for years to restore the Belgrade family name, after his mother ran off with the family butler ten years ago, and his father lost himself in drink and ladies of the theatre, before then dying of the former. To add to the scandal, five years ago Andrew's only sister, Elena, eloped with a man she had only known for a week. But at least she had chosen to remain in Scotland with her husband after the wedding, rather than bring that scandal back to London. As a result, Andrew holds himself aloof from all possibility of scandal. He does so by choosing his friends carefully and otherwise remaining aloof from Society and any romantic involvements. He is suitably saddened when he receives a letter from a Miss Catriona McGregor, informing him that his sister, and Miss McGregor's brother, have both been killed in a boating accident. He is shocked when Miss McGregor then adds that the custody of the couple's four-year-old son, Malcolm, now lies with him. Cat has no idea what to make of the aloof gentleman who arrives in Scotland claiming to be the brother of her now deceased sister-in-law, Elena. Oh Andrew Belgrade, the Duke of Essex is aristocratic enough to bear that title, but he is also cold and arrogant. To such a degree Cat resists relinquishing her nephew, Malcolm, into his guardianship. The last thing Cat expects is to feel attracted to this coldly distant gentleman. Or for him, albeit reluctantly, to return that attraction...
